Enroll in the *General Dentistry* Program in Self-Instruction

Each issue of *General Dentistry* now contains a set of short-answer and multiple-choice questions covering a selected article. After reading the article, enrolled participants complete the test and submit it to the Academy. Those who have answered the questions satisfactorily earn two hours of continuing education credit for each installment. You will be notified if CE credit cannot be applied (e.g., incomplete or incorrect answers, etc.). One-year enrollments (six installments) cost $60. To register for only one issue, the cost is $15.
